PETITION

The Applicant submits this petition to revive the subject application from unintentional abandonment under 37 C.F.R. § 1.137(b). For convenience, the Applicant reproduces § 1.137(b) here:

“(b) Unintentional. If the delay in reply by applicant or patent owner was unintentional, a petition may be filed pursuant to this paragraph to revive an abandoned application, a reexamination proceeding terminated under §§ 1.550(d) or 1.957(b) or (c), or a lapsed patent. A grantable petition pursuant to this paragraph must be accompanied by:

- (1) The reply required to the outstanding Office action or notice, unless previously filed;
- (2) The petition fee as set forth in § 1.17(m);
- (3) A statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was

unintentional. The Director may require additional information where there is a question whether the delay was unintentional; and

(4) Any terminal disclaimer (and fee as set forth in § 1.20(d)) required pursuant to paragraph (d) of this section.”

The Applicant includes a response to the non-final Action mailed by the Office on October 21, 2005.

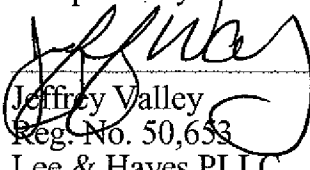

The Applicant includes the petition fee set forth in § 1.17(m).

The entire delay from April 21, 2006 until the filing of this petition to revive was unintentional.

The Applicant does not believe a terminal disclaimer is required with this petition.

The Applicant respectfully requests favorable action on this petition at the earliest convenience of the Office.

Dated: May 4 2007
